

# Future

Although our individual parishes vary in size and have a variety of gifts, our communities are filled with devoted individuals and families who will take the steps necessary to adjust and change with the times.

**Saint James Catholic School** brings all of our parishes together and with the addition of the Dominican Sisters of Saint Cecilia in July of next year there is much excitement! These religious women will bring with them the skills to provide leadership to our school as well as become involved in our parish ministry to allow religious education and formation for all parishioners. The Dominican Sisters will assist in bringing our parish community together with the school through their joy and exuberance.

In order to welcome the sisters, Saint James Catholic Church must provide living accommodations and for this reason, the parish community will begin to see a change to the Robinbrooke campus to include development of a convent as well as office space. The Saint James Catholic Church that we have known and loved for more than 160 years is evolving. The foundation of the spiritual presence in the Heartland of Kentucky must evolve to meet the growing demands of our community. As in our venerable past, being a "pilgrim church", will make us stronger as we begin a new chapter in the life of a church that remains vibrant for all parishioners, school children, faculty and staff. May God continue to bless us.

## Saint James School

## From the Pastor

Dear Parishioners,

Upon prayerful reflection of our past year within our three parishes, I am reminded of so many ways that we are engaged in service to Christ, His Church and one another. My time in service to the good people of Saints Ambrose, Ignatius and James is a blessing and honor for me.

Together, our three parishes have nearly 1500 families – there is an immense difference in the size of the three with less than 100 of the total families coming from Saints Ambrose and Ignatius combined. Each weekend we celebrate six Masses among our three parishes but welcome less than 50% of our parishioners on any given week. We've some work to do to reach others who have fallen away for a variety of reasons.

I hope you will take a moment to read through this accountability report for fiscal year 2014-15. There is no way for us to capture everything that has happened within the past year; however, upon review, I am certain you will be reminded of all the wonderful things that have happened within our family of faith. You will also see that we have some opportunity to challenge each other to be better stewards in the year ahead from a financial and ministerial standpoint.

It is my hope that we continue in the way of Christ and become a stronger family unified in faith throughout the coming year. My continued prayer and blessings for you and your entire family.

Devotedly yours in Christ,

Rev. Fr. Martin A. Linebach  
Pastor

## Time

- **Saint Ambrose Catholic Church** takes pride in being involved in Cecilia Days the second Saturday of August each year. Parishioners are quick to share the importance of the role of the Catholic Church within the small town of Cecilia.

- The faith community of **Saint Ignatius Catholic Church** gathered in December to donate toys to Helping Hand of Hope. Parishioners brought children to meet Santa Claus; however, instead of Santa handing out presents, the children brought him gifts that were, in turn, donated to help needy families during the Holidays.
- **Saint James Catholic Church** was blessed to have nearly 100 volunteers who worked on Thanksgiving Day to serve 1,140 meals to those in need. Fifty meals were served on the Saint James campus and nearly 1,100 were delivered to homes.

## Talent

- The parishioners of **Saint Ambrose Catholic Church** came together to support Saint James Catholic School by providing funds to assist in purchasing textbooks for our school children. The generosity of the parish has allowed our school to continue to update educational resources and provide them to all of the students at the school.
- The women of **Saint Ignatius Catholic Church** came together to discuss the implementation of a new initiative – Mother Mary's Helpers. This group of women started making plans for how they can help their community. We look forward to sharing their stories and successes in next year's accountability report.
- **Saint James Catholic Church** currently has 411 parishioners who have volunteered to be involved in liturgical ministry. It is through the sharing of individual talent that these parishioners assist our pastor and associate pastor in providing a meaningful liturgical experience for our entire faith community.

## By the Numbers

### Saint Ambrose

Baptisms - 1  
 First Communion - 0  
 Confirmation - 0
