RESPECT LIFE

I shall accept whatever they do to me provided they save the child.

St. Gianna Molla

REFLECTION. In 1962 Saint Gianna Beretta Molla died after giving birth to her fourth child. A physician herself, she understood the risks of her pregnancy, but refused abortion. Some question her decision, given that she already had three children. However, nothing would have harmed those children more than if she aborted their sister, and nothing blessed them more than the example of a mother who gave her life for her child.

PRAYER. *Saint Gianna, pray for us, that we may imitate your selfless love.*

Pro-Life Reflections for Every Day

Bulletin Deadline 10:00 a.m. Friday, the week before publication. Please email items to:

STEWARDSHIP

It has been recommended and approved by the Finance Council of Saint James Parish, that the weekly reporting of tithing as currently printed in the bulletin, be consolidated into a monthly report to parishioners. In the past some numbers have been delayed or not totally understood. It was felt that a monthly reporting would provide our parishioners with a better collective update and accountability throughout the year. Watch for the new reporting in our August bulletin for July numbers. Thank you!

"Martha, burdened with much serving, came to him and said, '....tell her to help me.' The Lord said to her in reply: 'Martha, Martha, you are anxious and worried about many things. There is need of only one thing. Mary has chosen the better part and it will not be taken from her.'"
Luke 10:40-42

Few stories in Scripture better portray the fact that stewardship is an attitude, not an activity. Martha was busy, but Mary had the right attitude. Prayer and time spent with Christ are essential.
