**A MESSAGE FROM THE PASTOR**

Dear Parishioners,

As Labor Day has come and gone suggesting that Summer is REALLY over, I hope you had an opportunity to relax and recreate with your family during the past few months. I attended a retreat for priests in July that was the best spiritual experience I've had in a long time. And, I enjoyed time to kick back and relax a bit too. Life in the Lord continued to move forward since June; though. I'd like to update you on a few important developments.

Thanks to everyone who participated in the Parish Discernment Process. The Parish Pastoral Council summarized and prioritized your input and feedback – not a quick task since 300 parishioners participated in one of the many listening sessions. The Council is now in the process of developing a report to share with you so look forward to that soon. The report will outline what you said should be our priorities for Families, Formation and Social Outreach in the years ahead and what steps we can take to bring those ministries to fruition. While the first part of the Discernment Process demanded serious prayer, please don't stop praying for the Holy Spirit to continue to guide us and inspire us. I'm very grateful for the monumental work of the Parish Pastoral Council since the beginning of the Discernment Process under the leadership of Lou Edmondson. God bless you!

During the Spring and early Summer, the Finance Council worked tirelessly to provide a balanced budget that supports our mission. I want you to know it was not easy and we face serious, real challenges that I will share with you during the month of September. Mr. Greg Schrecke is our new Finance Council Chairman. He brings his beautiful commitment to our Parish along with intelligence, prudence and efficiency in finances. Please join me in thanking Deacon Bill Clark for serving as Chairman for the past three years. The Finance Council always begins its work with the mindset of stewardship as our way of life.

We began our 147<sup>th</sup> year of providing Catholic education in the Heartland of Kentucky with the start of this school year. On August 9, Saint James Catholic School opened its doors and welcomed nearly 500 students to begin the 2017-18 school year. Our theme this year is what Christ told the disciples while they were on the Lake disappointed that the catch had been slim, "Put Out into the Deep!" With Sister Marie Hannah and our wonderful faculty and staff, we will grow in faithful discipleship with the help of the Holy Spirit, the presence of Christ in our School, and the unconditional love of God.

I've always been fond of Father Karl Rahner's quip, "Change is the only constant in our lives." It is so true. On behalf of Father Casey, thank you very much for welcoming him with open arms and hearts. He's growing quickly to love you. I told him that would be so. Sister Michaela, O.P. joined our Formation Team at the beginning of August. Sister is already making great progress in our ministry to families – of every size and circumstance – as the Director of Family Ministries. Sister entered the Dominican Sisters of Saint Cecilia in 2006 following graduation from the University of Notre Dame. She most recently served at Saint Cecilia Academy in Nashville, Tennessee teaching English and Theology. Sister grew up in Lubbock, Texas sharing life with two sisters and a brother. Sister Marie Hannah's parents also live in Texas and I am happy to report that everyone is safe from the ravages of Hurricane Harvey. Thank the Lord but let's keep praying for the people of Texas and Louisiana as they try to recover from a storm that felt like one with Biblical proportions. Mr. Mike Biggs joined us last year as Director of Administration Ministries. He has decided to "really" retire and looks forward to travel but mostly being home a lot with his wife, Mary. Mike took care of many tasks for me. I will always be grateful for his generous ministry. God bless you, Mike.

If you've not signed up for Father Leo's, "Spicing Up Married Life" on Saturday, September 16<sup>th</sup> and miss out on what promises to be a great evening. You'll be sorry! And Father will stay over on Sunday to lead us through "Spiritual Combat" to be held at Saint James Catholic School. So, get fired up for a rewarding experience this month.

Please remember that I pray for you every morning and every night. Please do the same for me. And don't ever forget that you add joy and a sense of gratitude for me as your pastor. Saint James, pray for us.

God love you,

A handwritten signature in blue ink that reads "Martin A. Jimenez". The signature is fluid and cursive, with a long, sweeping underline.

#### 2017 Catholic Higher Education Collection

Next weekend, September 16 and 17, our parish will take up the annual collection for Catholic higher education. **Hurricane Harvey** has caused massive destruction in southeast Texas. In addition to the Category 4 hurricane winds, torrential rainfall is affecting Houston and surrounding areas. ## MY STORY OF DISCIPLESHIP

*by Gerry Murphy, Saint James Parishioner*

From a very young age, the concept of stewardship and ministry to others was instilled in me by my mother. My mother was an excellent example. When someone needed help, she helped without asking. When a new Girl Scout troop was being started in my hometown parish in Newark, NJ, my mother urged me to work with the girls and see if I liked it. This started a life-long journey for me of teaching, including CCD (religious education) classes, in the parishes I belonged to throughout my life.

I married Bill, a military man, and we moved often. We had five children and I volunteered wherever it was needed in the parishes on the different posts – usually teaching CCD (religious education).

Bill entered the Kentucky National Guard and we moved to Corbin, KY in 1975. We were the 67<sup>th</sup> family to register at the local parish, and again, volunteered wherever we were needed. Bill retired after we had been transferred to Louisville. We then moved to Florida but returned to Corbin, KY after nine years. In Corbin, I volunteered at St. Camillus Church with various parish projects. The parish pastor asked if I would become a Legionary with the parish's newly established Legion of Mary. The Legion of Mary is an international organization of the Catholic Church dedicated to prayer, study and visits. Besides a weekly meeting of prayer and study, we were assigned two hours of apostolic work. Our primary mission was to visit those who had fallen away from the Church and to encourage them to return to the Church.

We moved to Elizabethtown to be near our children and joined St. James. Bill passed away in 2013. Since I can no longer drive, I depend on the discipleship and kindness of others to take me to Holy Hour, to pick up my dish for a funeral meal, and to attend Catholic Women of St. James bible study. I also participate in the continuing ministry of prayer.

*Gerry Murphy*
