PARISH LIFE

Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.

Matt 5:16

Reflection - As you have discerned in previous bulletin entries, October is certainly a busy time for the Respect Life Committee. The Committee works hard because the enemies of life never rest. They are not bashful in allowing their darkness to entice others to bring the practice of paganism to a more profound position in the modern world. They have been successful beyond their wildest dreams. As Matthew teaches, Christians are to 'allow their light to shine before others.' The programs for life and peace sponsored by the Respect Life Committee allows all of God's people in the parish of Saint James to let their love for life shine before all in our community. Please, search your conscience and carry forth God's work, and He will give birth to blessings, in a particular, beneficial, and reflective way, to the least of our brothers and sisters in need.

Respect Life Committee Schedule for October—Respect Life Month
