An Adoption Love Story

Read the full version at respectlifeprogram.org/adoption-love-story.

Having children and raising a family had always been our expectation. We soon learned, however, that our chances of becoming pregnant were small. It wasn't long before we started talking about the possibility of adoption. I wondered if my heart was big enough to love an adopted child as I would have loved a biological child. But with prayerful discernment, we decided to start the process. On Christmas Eve, Bill* and I left the hospital with Andrew. It didn't take long before there was no doubt in our minds that he was our son, the greatest gift from God! We can't imagine loving a child whom we conceived more than we love Andrew.

We can't imagine loving a child whom we conceived more than we love Andrew.

The full version, link mentioned above, concludes: "It is so hard to express in words what a unique experience adoption has been for us. It has been quite a journey facing infertility, as well as so many unknowns and acts of kindness and sacrifice—all with so many emotions—which led to the growth of our family. There were times when our faith was shaken and we weren't sure if we could handle our cross. But adopting Andrew has made us more aware of God's power and of his love for us. We realize that he always has a perfect plan for our lives.

*Jenny and Bill (all names have been changed for privacy) would like to encourage you be open to the gift of adoption. Is God calling you to consider adopting a child or placing your child for adoption? To learn more information, contact your diocesan office."

2019 Archdiocese for the Military Services USA

Next weekend, our parish will take up a collection for the Archdiocese for the Military Services (AMS). Established by Saint John Paul II in 1985, the AMS is responsible for providing the full range of pastoral ministries available in other U.S. dioceses to those serving in the United States Armed Services, including those stationed at Fort Knox. It provides pastoral care for more than 1.8 million men, women, and children. The Archdiocese for the Military Services receives no funding from the government or the military, has no parishes for a weekly in-pew collection, and must rely principally on private donations to provide many programs and services. Thank you for your generosity. **If you would like to support this fund, simply mark your donation Military Services USA and place in the collection basket during Mass.**

**November 3rd-9th is
Vocation Awareness Week**

As Catholics, we firmly believe that God has a plan for our lives! He calls some to marriage, some to the priesthood, and others to religious life. Some remain as generous single people. Fully living our own vocations—and teaching young people how to discern God's call—is a serious duty, but also a joyful one. Today begins National Vocation Awareness Week. During this week, please pray about how God is calling you to live your vocation more deeply. Encourage the young people in your life—children, grandchildren, students, and friends—to be open if God calls them to priesthood or consecrated life.

+VOCATION VIEW+

The Lord will come when we least expect him. Is he knocking now, asking us to serve as a priest or religious? (Luke 12:49-53)

Angel Tree Program 2019: We will still have some families that will have their children on forms like we had last year. New this year is what is called the Affordable Christmas. In addition to handing out angel tree forms we will be collecting toys and other items **next weekend and the weekend of Nov. 17th.** (The Angel Tree will be available beginning Nov. 9th). It is felt that this program will allow the parents to feel that they are truly giving their child a Christmas present. I ask for your support this year so that Saint James does its part in bringing a Merry Christmas to the children of Hardin County. God Bless You,
Deacon Karl
