**Important Clarity Solutions  
Fundraiser Virtual Event,  
this Tuesday April 28th at 7pm**

It's 3am. I'm awake with an idea.

Some of us have received government "stimulus" money that we don't really need. If you're scratching your head wondering what to do with it, here's an idea:

First of all, don't return it to politicians in Washington DC. This is government money that you have control of!

Why not use a portion of it to provide a donation, a "personal grant" if you will, to Clarity Solutions?

Clarity Solutions is a local non-profit Christian organization, not affiliated with any particular religious denomination, that provides accurate information about positive alternatives to abortion and compassionate assistance to those in our community who face an unplanned pregnancy.

Last week, this column reiterated the life-changing services that Clarity provides confidentially, and without charge

Clarity Solutions and WE can make a difference in the lives of men, woman and babies in our community. You could use a portion of your unneeded stimulus money to save lives!

St. James and the St. James Respect Life Committee supports Clarity Solutions. We are sponsors of their vital Annual Fundraising Banquet. Of course such a physical gathering cannot take place this year. But, Clarity is operating and their needs continue! So Clarity will instead hold an Annual Fundraising Virtual Event: this Tuesday April 28th, at 7 pm.

To learn more about this Fundraising Virtual Event and how to register and attend please go to: **ClarityLive.org**

There is no cost to register or attend. Please join us. And please consider making a "personal grant" to Clarity Solutions.

And here's **another idea** for those who can spare some of their "stimulus" money: How about a "personal grant" to the Church or to that small business operator, barber shop, hairdresser etc. whose services you have been unable to utilize because of the government mandated shutdown? You might help them save their business.

**May God bless you.**

**Saint James Catholic Church announces new endowment**

*Funds raised will support church's mission*

Saint James Catholic Church (SJCC) has a new way for individuals to support the mission of the church. The SJCC Endowment, facilitated through Central Kentucky Community Foundation (CKCF), will help provide financial stability now and in the future.

“This allows donors to be part of an enduring legacy,” said Diane Logsdon, architect of the endowment. “All Saint James parishioners can come together to make a gift in support of the church, in any amount they can provide.”

“We’re blessed to have so many parishioners who are committed to stewardship,” said the Very Rev. Martin Linebach, SJCC pastor. “Whether through time, talent or treasure, our church family always comes together to support Saint James.”

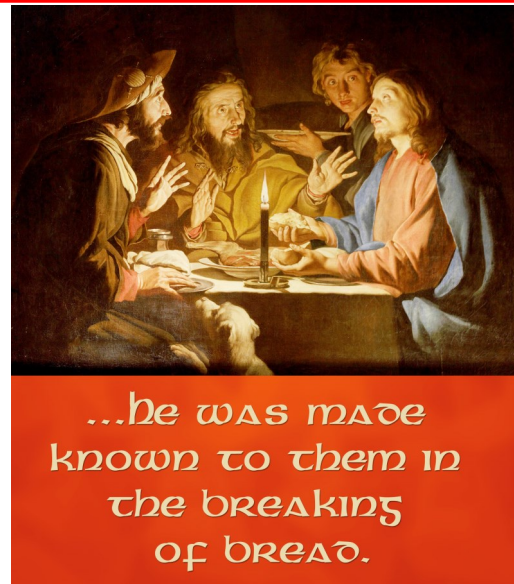

If you are interested in making a donation to the endowment, please visit [ckcf4people.org](http://ckcf4people.org), or mail a check to CKCF, 200 Jim Owen Drive, Elizabethtown, KY 42701. Donations are eligible for the Endow Ky Tax Credit, which allows donors to receive a charitable deduction and 20 percent credit against state income taxes, up to \$10,000.

“We were glad to work with a donor to establish an endowment fund for Saint James Catholic Church, said Davette Swiney, president and CEO of CKCF. “Saint James has a long history in our community and the Saint James Catholic Church Endowment Fund offers great opportunities for individuals to help ensure support is there for the church long into the future. This fund will benefit Saint James forever.”

“Stewardship is a way of life for many parishioners and, as good stewards, each of us plays an important role in perpetuating the mission of the church,” Logsdon said. “This endowment is an opportunity to make an impactful gift to the best of one’s ability and be part of creating a sustaining revenue source for Saint James.”

If you have any questions about this endowment or any other parish giving options, please contact Jennifer Moran at 270-765-6268 or [jmoran@stjames-etown.org](mailto:jmoran@stjames-etown.org).

**"If you invoke as Father the one who judges impartially according to their deeds, live in reverent fear during your time of your exile."**

**1 Peter 1:17**

From the stewardship perspective, our consumer society is in need of an exile in a strange land.

Stewardship calls us to resist the "me first" values glamorized by our society.

**+VOCATION VIEW+** The Lord will come when we least expect him. Is he knocking now, asking us to serve as a priest or religious? (Luke 12:49-53)
