Father's Day: June 21, 2020

Introduction

While not a liturgical observance, Father's Day is an appropriate time to recall the essential role of fathers in the life of the family and in building a culture of life. It is also an opportunity to highlight spiritual fatherhood, which all men are called to embrace.

Fatherhood has its origins in God, who chose to reveal Himself to us as Our Father, sending his only Son for the sake of our salvation. Fathers therefore have a special role "in revealing and in reliving on earth the very fatherhood of God" (Familiaris consortio 25).

Indeed, the role of the father "is of unique and irreplaceable importance" (FC 25).

Although society increasingly tells fathers that they have no say in the lives of their children before birth and fails to recognize the dynamic and critically important role of fatherhood, it is both a biological and spiritual reality. Pope Saint John Paul II said fathers are called to exhibit "generous responsibility for the life conceived under the heart of the mother" (FC 25). They are uniquely entrusted with the protection and defense of both mother and child and, in this way, in safeguarding the sanctity of human life. Yet research continues to show that the top reasons women seek abortions include lacking support from the child's father and financial challenges, which are only exacerbated by a father's absence.

As a Church community, we need to encourage and support men to follow the example of St. Joseph and embrace their various roles as father. Even if a man is not a parent, he is still called to spiritual fatherhood—a fatherhood that fosters others' relationship with God, protecting them from evil and providing an example of Christ's love.

St. Joseph, himself, was unexpectedly called to both practical and spiritual fatherhood, and amid very difficult circumstances. But despite all obstacles, Joseph was faithful. He welcomed life, offering care and protection to Mary and Jesus. We pray that each expectant father will find courage in the example of St. Joseph and offer loving, life-affirming support to the mother of his child.

YEAR-END PLEDGE REMINDER

As we are making plans for a new Fiscal Year that begins on July 1, it seems the perfect time for reminder to our entire parish about the stewardship commitment that was received from your family during our annual stewardship renewal campaign and the importance of realizing the balance due prior to our fiscal year end on June 30.

Obviously, the past few months have been a challenge for all of us and for some it has caused a financial hardship. If this is the case for your family and you are unable to complete the pledge made for the 2019-2020 Fiscal Year, please know that our parish understands this and does not expect you to provide funds and cause a strain on your family. If you have lost track of your tithing history and need to check on the amount outstanding on your stewardship pledge, please feel free to call Lauren Overstreet in the parish office. She will be able to provide you with the information you need.

As always, thank you for your generous commitment. Your pledge, no matter the amount, makes a difference to the parish of Saint James. It is because of you that we can support the many wonderful, varied ministries of our parish - Saint James Catholic School being the largest.

This bulletin is completely provided without charge through the advertisements on the back covers.

Please patronize these sponsors as a thank you for their kind generosity. Our sponsor of the week is:

and Snow Removal**
