### How Do We Change Our Culture of Death?

Pope John Paul II noted that the structure of man's sin is characterized or manifest on a universal scale in our Culture of Death. He pointed out that the powerful are easily able to manhandle the weak (e.g. abortion and euthanasia). The culture of death is not the result of philosophy or decrepit ethics, or political theory. The culture of death is a result of sin committed freely by persons. Thus it is fundamentally a personal problem, not a political one. So, the battle will not be won solely by a political action or movement, because the battle is not against human beings or arid philosophies, but is a battle against sin: "For our struggle is not with flesh and blood but with the principalities, with the powers, with the world rulers of this present darkness, with the evil spirits in the heavens" (Eph. 6:12). Therefore, first and foremost, we must first recognize God's saving action and saving mission, and then participate in it. This has always been, and will always be the Church's role. We love because He loved us first (1 Jn. 4:19), and we spread that love through our testimony to the nations (Acts 1:8). We must try to influence our culture with our words and deeds, realizing that the purpose of evangelization is always to introduce man to the Person of Christ, and the Person of Christ to man, that man might enter into His mystical body, the Church. Thus, through grace attained by turning to Him, the culture of death can indeed be transformed, simply because the Gospel always has the power to transform the hearts of men...even when the culture seems most evil, hopeless and perverse. Pro-Life Articles

Just over a month ago, forced to cancel its Annual Fund Raising Banquet, Clarity Solutions held its first ever Annual Virtual Fund Raising Event called Clarity-Live. Though donations continue to come in, as of Memorial Day, they had achieved roughly two-thirds of their fund-raising goal.

You can still view the virtual event at:

[www.supportclarity.org/Clarity-Live](http://www.supportclarity.org/Clarity-Live).

There you can see inspiring presentations and learn of Clarity's plans to expand their capabilities to continue to provide sound, practical, positive alternatives to abortion.

It's not too late to make or add to your donation, if you can. Instructions on how to do so can be found at that website.

**DOOR GREETERS NEEDED!**

Beginning in June, we are in need of individuals who will assist us at Masses as door greeters. The current role for door greeters includes welcoming parishioners to Mass and providing hand sanitizer as they enter the church or school. If you would like to be involved with this ministry and can help us on occasion throughout the next couple of months, please contact **Shirley Morton** at 737-3562. Thank you in advance for your response to this request!

We have all been watching the changes to our daily lives brought on by COVID-19 and the restrictions Governor Beshear has put into place to keep us safe and healthy. Kentucky is starting to reopen a little at a time. On May 22, groups of 10 people or fewer could congregate. Restaurants can open to 33% capacity. Masks are strongly recommended. 6 ft. of social distancing is required for all. As the President of the Forever Young Club, I was hoping enough changes for reopening could be made for us to have a June meeting. **Our meeting is scheduled for June 9. Sad to say that due to the schedule for reopening Kentucky, our June 2020 meeting will need to be canceled.** Every member of our group is in the most vulnerable population of this pandemic. There is no reasonable way we can have a meeting and maintain the 6 ft. of social distance. Most importantly the date for groups of 50 or more to congregate is not until June 29, 2020. Say prayers that we will be able to meet on August 11 at 6 PM for our monthly meal and socialization. More information will be shared closer to time. I hope everyone and their families are staying well. #TeamKentucky Sandy McClain- President, Forever Young Club.
