1. Worship
2. Faith Formation
3. Operational Vitality
4. Stewardship
5. Communication

7. Evangelization

### Details:

**Introductions:** Father Michael opened the meeting with a prayer to include special prayer requests from the council. Father Michael received introductions and snapshot bio briefs from each member. Father Michael offered information about himself.

**Strategic Planning Process:** Tink Guthrie, Vice Chancellor of the Archdiocese of Louisville, and lead facilitator, presented an overview and timeline of the strategic planning process. As Father Michael learned, the parish-wide survey was a roadmap used to identify strengths, areas to shore up, and ministries to add going forward. Some results fell under “the vision board” and others fell under “operational”.
