

Stewardship Reflection
Gary & Lisa French

By serving others, we are serving God. We volunteer time and service to strengthen our faith and to express our love by following His mission. Jesus demonstrated many examples of service and invites us to follow His lead. He shares with us that it is more blessed to give than to receive. We hope that our actions resonate with not only our children and grandchildren but also to those we serve. Volunteering is a gift and a decision you will not regret. The benefits you receive will far outweigh your time and efforts. Serve and Follow His Mission!
