

Come Holy Spirit

Become the amazing person God created you to be.

The challenge life presents to each of us is to become truly ourselves – not the self we have imagined or fantasized about, not the self that our friends want us to be, not the self our ego would have us to be, but the self God has ordained us to be from before we were in our mother’s womb.

As you reflect upon the stewardship opportunities within our parish, consider strongly which will help strengthen your faith so you can pursue God’s dream for your life. Take a moment to reflect upon the following questions to consider thoughtfully where your time, talent and treasure are best spent.

- How can I live out my responsibilities as a disciple of Christ through Stewardship?
- What is my unique personal vocation to which God has called me?
- How can I recognize the Lord’s invitation to share my gifts with others?

My Treasures... **For God**

Definition of tithe: a tenth part of something paid as a voluntary contribution.

The church preaches that all members should tithe a percentage of their annual household income.
