PARISH LIFE

We all have talents, the use of which will be judged at the end of time. A wide variety of activities comprise the pro-life movement. People provide alternatives to abortion, legal advice, counseling, medical services, adoption services, employment searches, housing, education and the many other services of pregnancy help centers accessed through hotline numbers and websites. There is also the wide range of healing ministries for those who have had abortions. Moreover, the pro-life effort is advanced through research, medical expertise, litigation, lobbying, media work, writing, speaking, grassroots activism, and much more. In short, there is room for everyone in the movement. The greatest fruit of our talents would be to be able to present to the Lord the lives saved through our efforts. ~Priests for Life

## A Pro-Life Prayer for Thanksgiving Day

Father of mercies, God of all creation,  
Source of Life and of every blessing,  
We thank you today, and every day of our lives,  
For all that you give us!

Our thanksgiving is not only a duty,  
But a joy and a source of strength,  
Because it reminds us of your faithful love,  
And inspires us with the hope of  
a future filled with blessings!

Lord, we thank you for guiding our fathers,  
Who, inspired by the prophets and  
by the saving work of your Son,  
Founded a nation where all might live as one,  
Acknowledging their dependence on you  
As the source of their right to Life.

We thank you for your blessings in the past,  
And for all that, with your help, we must yet achieve.

We ask you to bless us as we thank you,  
That our giving thanks may be  
accompanied by our firm resolve  
To proclaim, celebrate, and serve  
The gift of human life, born and unborn.

We pray through Christ our Lord. Amen  
~ Priests for Life
